GLOBAL LEADERSHIP PROGRAM

Summer #1: July 13-17, 2020
Summer #2: August 3-7, 2020
Fall: October 11-December 8, 2020

The Global Leadership Program, for students from grades 9 through 11, is designed to help young adults become better students, college applicants, and global citizens. Students build relationships and learn vital skills such as team communication, cultural awareness, creativity, community service, leadership, goal setting and decision making in a group setting with teens from multiple high schools and differing backgrounds.

Participants put their newly acquired skills to use working collaboratively on a service project of their choice, with proceeds donated toward Pearl S. Buck International’s mission and work. At the completion of the program, students and their families celebrate their success at a graduation ceremony, knowing that they have made a contribution to the world.
