Family History

Both of my parents have died. I do not have any siblings. I was living with my grandmother but she is so old no one really knows her age. I only know that she has been over 80 years old for as long as I can remember. I have an uncle but he is living in poverty and does not have the resources to provide for me, or my grandmother. I was in a desperate situation until I was given the opportunity to live at Ogada Children's Home in 2011. I attended St. Cecelia Aluor Girls Secondary School and graduated with my diploma. I plan to join college when schools open back up.
