## Family History

My father passed away when I was young. I am the third born of four children in my family. My mom earns an income through farming but it is not enough to provide for all of us. On holiday breaks from school I visit my grandmother and stay with her. When I was 10 years old I was given the opportunity to live at Ogada Children's Home. I am very thankful for all of the care and support I have received since that time. It is hard to believe that I am in high school. I work hard in school so that I will be able to support myself and help my family when I am an adult. I attend Meru Teachers College.
