## Family History

I am the last born in a family of five children. I have one sister and three brothers. Both of my parents passed away from complications due to AIDS when I was just 8 months old. I went to stay with my aunt. She is physically handicapped. When I was 7 years old I was given the opportunity to live at Ogada Children's Home and for this I am grateful. My family does have a small piece of land that I should be able to inherit in the future.
