FAMILY INTRODUCTION SHEET FROM THAILAND

SCN # 16-05-6675

Location: Ubon Ratchathani, Thailand

November 15, 2019

Dear Sponsor,

On behalf of Pearl S. Buck Foundation (Thailand), we are pleased to introduce you Papaporn Suksri and her family. Papaporn was born on April 2, 2013. She is now 6 years old. She stands 2'11" and weighs 33.07lbs. Papaporn who is fondly call "Cream", is a Buddhist girl who is affected by HIV/AIDS. She can speak both Thai language and Northeastern dialect.

Cream and family live in a small community in Trakarn Puedphon district, Ubon Ratchathani province. The community is surrounded by rice fields. There are around 50-60 households in this community. Most of people are agriculturists who earn main income from selling rice crops, and work as general workers. Some villagers go to work in other places for extra income after harvesting season. There are temple and school located in this community.

Cream is healthy, and has received vaccinations per schedules. She has good developments the same as other children. She eats 3 meals per day cooked by her mother. Cream and family are benefited from government health insurance program.

Cream is a lovely, confident, cheerful, and talkative girl. She is studying in grade 1 at a public school named Saengsuree Kindergarten (Wat Pa Saengsuree) School, located around 3 km from her home. She goes to school and back home with other students by school bus with free of charge. She receives USD 0.50-0.66 (USD 1=Baht 30) as daily allowance to buy sweets at school. She is benefited from school free lunch program for students. She can study in the good level. She likes to study and pays good attention in it. English is her favorite subject. She wishes to be a police when she grows up. Pink is her favorite color. She helps her family to do house works such as to sweep and wash dishes. Running race is her favorite sport. In free time she enjoys running for fun, and watching TV.

Your generous support is needed for Cream as it will assist her to have more readiness in studying, and more willpower in paying good attention in studying continuously to graduate from high educational level for better future of herself and her family. Her family is very poor, her parents earn very few and uncertain income per year that is not enough to cover family's living cost and her education expenses. Without your kind support Cream may decide to drop schooling before she completes compulsory level in order to help her grandparents working in the field to earn income for supporting whole family.

We would like to introduce you to the other members of the family. They are:

Given Name	Sex	Date/Year Of Birth	Relations to SC	Health Condition	Current Activity
Watchara	M	1982	Father	Moderate	Worker
Somnuek	F	1983	Mother	Good	Worker

Anong	F	1959	Grandmother	Good	Worker
Papanggorn	M	2013	Older brother	Good	Student

Cream father, Mr. Watchara, is 37 years old, he was infected with HIV, and has taken anti virus medicines. Her mother, Mrs. Somnuek, is 36 years old and healthy. Her grandmother, Mrs. Anong, is 60 years old and healthy. Her older brother, Papanggorn, is 6 years old and studying in grade 5. The family earns around USD 700 per year from selling rice crops and working as general workers.

The family has lived in this community for many years. They stay in one storey concrete house with tile roof built high above the ground. Her parents own land and house legally. It has 2 bedrooms, one opened room, one kitchen, and one bathroom. The surrounding is quite pleasant with no pollution. There is also a large space for children to play in the community. They grow vegetables in the house's area. The house has electricity and is furnished with one television, 1 electric iron, 1 electric fan, and light bulbs. There is clean water from water supply system for using, and rain water kept in jars for drinking. Household garbage is disposed by burning several meters away from their home.

Like any other Thai family, Cream's family wishes to improve their quality of life. They dream of having their school age family members complete their education, enjoy good health, have a clean and orderly house, and most importantly increase their income.

Cream and her family need assistance, and your kind sponsorship will make a difference in their lives. Your support will usher in new hope and confidence in the family as they work together for a brighter future. Our foundation commits to facilitate a family development process for this family so they achieve lasting improvement in their lives. We implement programs on **H**ealth, **E**ducation, **L**ivelihood and **P**sychosocial developments from which her family can benefit. We do this through the handed-up approach of partnership so families develop their self-help abilities to learn in building up what they can do with a little assistance, motivation and inspiration from generous sponsors like you.

Cream and her mother, Mrs. Somnuek, look forward to communicating with you in Thai language (original letters will be attached with English translation letters), and sharing important family events with you and family in the future.

We hope that you find this new partnership meaningful and rewarding.

Sincerely yours,

Suntaree Rangkusone
Executive Director
