## Family History

Life has always been hard for me. When I was seven years old my dad died from cardiac arrest. My mother has always been chronically ill. She is in and out of the hospital. We live with my grandmother. When my mom is not in the hospital she tries to work but it is hard for her. My older sister had to drop out of school because we could not afford it. My grandmother is responsible to care for me but she does not have a source of income and is not able to provide for me. I am so thankful for the opportunity to live at Ogada Children's Home. I am in 7th grade.
