## Family History

I am a total orphan. Both of my parents have passed away. I have three siblings. My maternal grandmother took us in after we were left alone. She is widowed and does not have a source of income. Life was very hard. People are not even sure how we survive. I was often sent home from school because we could not afford the basic requirements for school. My oldest sister dropped out of school. I thought that I would end up doing the same thing and I would then survive by living on the streets. I am so thankful for the opportunity to live at Ogada Children's Home. I have hope! I am in 6th grade.
