Family History

My mother died in 2016. I lived with my father, who did not have a job. Soon after my mother died he left us to go look for a job. He has not returned since and we do not know where he is living. A distant relative took me in with my three siblings. They could not provide anything for me so my aunt took me in. However she has her own family and again, I was a burden she could not handle. I am so thankful for the opportunity to live at Ogada Children's Home. I am in 8th grade.
