Dear Sponsor,

On behalf of Pearl S. Buck Foundation-Philippines, Inc. (PSBP), I am pleased to introduce Avril Snyder and her family. Avril as her nickname was born on 7 December 2015 she is now 5 years old.

Avril is an active child. She will start to attend this school year 2021-2022 and dreams of becoming a Teacher someday.

Avril loves to play jumping rope, hide-and-seek and other outdoor activities with her friends in the neighborhood but due to pandemic she only stays at home to play for now. She also enjoys drawing, singing and dancing. At home, she helps in washing dishes, baby-sitting and running simple errands.

Avril is living with her parents. Her father, Mark Henk Snyder, 33 years old, works as a Jeepney Driver and earns \$200 monthly while her mother is a housewife. Her father's income usually spent on food, utilities and education. We would like to introduce to you the other members of the family. They are the following:

Name	Gender	Age	Relation to SC	Current Activity	Health Condition
Rose Ann Snyder	Female	26	Mother	Housewife	Good Health
Evo Snyder	Male	2	Brother	N/A	Good Health

Avril has been in the area for 2 years now. They are living in a house borrowed house from her mother parents. The house is built with G.I Sheets for the roof, cemented walls and cemented floorings that is in good condition. It has 1 multi-purpose room with no windows. They use electricity as source of light. The family is able to eat three meals a day with rice, fish and vegetables being the usual combination. They get their water from their own water pipe and use gas stove for cooking. The family has their own water sealed toilet and their household garbage is disposed through burning.

Like any other Filipino family, the Snyder family wishes to improve their quality of life. The parents dream of having the child's complete education, enjoy good health, have a clean and orderly house and most importantly, increase their income.

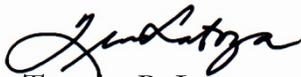

PSBP, together with the community, implements programs in health, education and psycho-social development and protection that benefit the children, their families and communities in the area. We hope that through the PSBP sponsorship program, the Snyder family could take part in our programs.

The sponsorship assistance that the PSBP could provide would greatly support Avril's education and her family as well. PSBP is committed in helping the children achieve their full potential, build better lives through its various programs.

Avril and her parents look forward to communicating with you in the future to share special and important events of the family.

We hope that you find this new partnership meaningful and rewarding.

Very truly yours,

Teresita R. Latoza
