Dear Sponsor,

On behalf of Pearl S. Buck Foundation-Philippines, Inc. (PSBP), I am pleased to introduce Jhonnieson Verzosa and his family. Jhon was born on 17 November 2008 he is now 12 years old.

Jhon is an active and healthy grade 6 student at Mabiga Elementary School, a government owned school which is located 1.8 kilometers from his residence. He walks, rides a jeepney and tricycle from his residence going to and from his school. He is an average student and dreams of becoming a Soldier someday.

Jhon loves to play basketball, volleyball and other outdoor activities with his friends in the neighborhood but due to pandemic he only stays at home to play for now. He also enjoys watching TV. At home, he helps in sweeping the backyard, cleaning the house and running simple errands.

Jhon is living with his parents. His father Dionisio Verzosa, 43 years old, works as a truck driver and earns \$158 monthly. His mother, Aileen Verzosa, 42 years old is a housewife. His father's income usually spent on food, utilities and education. We would like to introduce to you the other members of the family. They are the following:

Name	Gender	Age	Relation to SC	Current Activity	Health Condition
Dionisio Verzosa	Male	43	Father	Truck Driver	Good Health

Aileen Verzosa	Female	42	Mother	Housewife	Good Health
Jhomerson Verzosa	Male	16	Brother	Student	Good Health
John Aiverson Verzosa	Male	14	Brother	Student	Good Health

Jhon has been in the area for 12 years now. They are living in a house shared with other relatives. The house is built with G.I Sheets for the roof, cemented walls and cement floorings that is in good condition. It has 2 rooms with 5 windows. They use electricity as source of light. The family is able to eat three meals a day with rice, fish and vegetables being the usual combination. They get their water from their own water pipe and use gas stove for cooking. The family uses their own water sealed toilet and their household garbage is disposed through government disposal system.

Like any other Filipino family, the Verzosa family wishes to improve their quality of life. The parents dream of having the child's complete education, enjoy good health, have a clean and orderly house and most importantly, increase their income.

PSBP, together with the community, implements programs in health, education and psycho-social development and protection that benefit the children, their families and communities in the area. We hope that through the PSBP sponsorship program, the Verzosa family could take part in our programs.

The sponsorship assistance that the PSBP could provide would greatly support Jhon's education and his family as well. PSBP is committed in helping the children achieve their full potential, build better lives through its various programs.

Jhon and his parents look forward to communicating with you in the future to share special and important events of the family.

We hope that you find this new partnership meaningful and rewarding.

Very truly yours,
