

FAMILY INTRODUCTION SHEET FROM THAILAND

SCN # 16-05-6881

Location: Ubon Ratchathani, Thailand

April 2, 2021

Dear Sponsor,

On behalf of Pearl S. Buck Foundation (Thailand), we are pleased to introduce you to Theerapat Chai-yakotr and his family. Theerapat was born on January 2, 2015. He is now 6 years old. He stands 3'3" and weighs 44.09 lbs. Therapat, who is fondly called "Fas", is a Thai and Buddhist boy. He is affected by HIV/ AIDS. He can speak both Thai language and Northeastern dialect.

Fas lives with his family in a big community in Warin Chamrab district, Ubon Ratchathani province. There are around 100 household in this community. Most of people are farmers and agriculturists who grow rice and plants. After harvest season some of them go to work at general workers at other places. There are a temple and a school located in this community.

Fas is in good health, he has received vaccinations per schedules. He has growth and good developments per standard of Thai children. He eats 3 meals per day cooked by his maternal mother. Fas and family are benefited from government health insurance program.

Fas is a cute, cheerful, and talkative boy. He is attending in year 3 of kindergarten level at a public school named Ngarmjit Warin Chngamrab School, located around 3 km from his home. He goes to the center by a hired car with other students. He is benefited from the center free lunch program for children. He can study in the moderate level. Thai language is his favorite subject. He is diligent in going to the center. He wishes to be a soldier when he grows up. He enjoys drawing and coloring pictures. Green is his favorite color. Soccer is his favorite sport. He has a lot of friends, and can get along well all of them. In free time he enjoys running for fun, and playing games with friends. He helps his grandmother to do some house works such as to sweep floor, and fill drinking water bottles.

Fas as it will assist him to have more readiness in studying, and more willpower in paying good attention in studying continuously to graduate from high educational level for better future of himself and his family. His family is very poor, his family earns very few and uncertain income per year that is not enough to cover family's living cost and children's education expenses. Without your kind support Fast may decide to drop schooling before he completes compulsory level in order to help his parents working in the field to earn income for supporting whole family.

We would like to introduce you to the other members of the family. They are:

Given Name	Sex	Date/Year Of Birth	Relations to SC	Health Condition	Current Activity
Silp	F	1968	Maternal grandmother	Good	Worker
Theerapan	M	2016	Younger brother	Good	-

Fas's parents separated. His mother was infected with HIV, and has taken anti virus medicines. She has neither supported nor visit Fas and younger brother. His maternal grandmother, Mrs. Silp, is 53 years old. The family earns around USD 333 (USD 1=Baht 30) per year as a worker. They live simply and happily together

The family has stayed in this community for years. They live in one storey half concrete and half wooden rent house with tile roof built high above the ground. It has 1 bedroom, one open room, one kitchen, and one toilet. The surrounding is quite pleasant with no pollution. There is also some space for children to play. The family grows some vegetables for cooking foods. The house has electricity and is furnished with one television, one electric fan, one iron, and light bulbs. There is clean water both from a well and water supply system for using and drinking in his family. Household garbage is disposed by burning several kilometers away from their home.

Like any other Thai family, Fas's family wishes to improve their quality of life. They dream of having their school age family members complete their education, enjoy good health, have a clean and orderly house, and most importantly increase their income.

Fas and his family need assistance, and your kind sponsorship will make a difference in their lives. Your support will usher in new hope and confidence in the family as they work together for a brighter future. We commit to facilitate a family development process for this family so they achieve lasting improvement in their lives. Our foundation implements programs on **Health, Education, Livelihood and Psycho-social** developments from which this family can benefit. We do this through the handed-up approach of partnership so families develop their self-help abilities to learn in building up what they can do with a little assistance, motivation and inspiration from generous sponsors like you.

Fas is still too young to write so his grandmother, Mrs. Silp, looks forward to communicating with you in Thai language (original letters will be attached with English translation letters), and sharing important family events with you and family in the future.

We hope that you find this new partnership meaningful and rewarding.

Sincerely yours,

Suntaree Rangkusone
