As a Corporate Partner you are key to supporting the cross-cultural and humanitarian legacy of Pearl S. Buck. Organizationally, 86 cents of every dollar donated goes directly to our international aid, intercultural, and educational programs. In addition to your tax-deductible contribution, you receive unique benefits that include recognition for your business and staff, perks for clients and guests, and an alliance with a dynamic group of business leaders from the Greater Philadelphia Metropolitan Area.

Did you know it costs...

$5,000 to provide required school uniforms for 93 students in Thailand to help ensure that they stay in school?

$5,000 to provide each Global Leadership Program session to train high school students in the cross-cultural skills to navigate in the 21st century?

$2,500 each day to upkeep the Pearl S. Buck National Historic Landmark House?

$1,000 to ensure 70 children living in Vietnamese orphanages receive a month of nutritious meals?

$500 to provide life-saving vaccinations for 18 children living in Vietnamese orphanages?

$250 to fund medical and dental checkups for five children in the Philippines?

Pearl S. Buck International provides opportunities to explore and appreciate other cultures, builds better lives for children around the globe and promotes the legacy of our founder by preserving and interpreting her National Historic Landmark home.
