Dear Sponsor,

On behalf of Pearl S. Buck Foundation-Philippines, Inc. (PSBP), I am pleased to introduce Benzel Ivan Baltazar and his family. Ivan was born on 24 January 2010 he is now 11 years old.

Ivan is an active and healthy grade 5 student at Iram Elementary School, a government owned school which is located 20 meters from his residence. He walks from his residence going to and from his school. He is an average student and dreams of becoming a Pilot someday.

Ivan loves to play basketball, volleyball and other outdoor activities with his friends in the neighborhood but due to pandemic he only stays at home to play for now. He also enjoys watching TV, drawing and reading. At home, he helps in babysitting, cleaning the house and running simple errands.

Ivan is living with his parents. His father, Benzen Baltazar, 41 years old; his mother Maricel Baltazar, 39 years old both works as a vegetable vendor and earns \$80 monthly. Their income usually spent on food, utilities and education. We would like to introduce to you the other members of the family. They are the following:

Name	Gender	Age	Relation to SC	Current Activity	Health Condition
Benzen Baltazar	Male	41	Father	Vegetable vendor	Good Health
Maricel	Female	39	Mother	Vegetable vendor	Good Health

Baltazar					
Gift Baltazar	Female	2	Sister		Good Health

Ivan has been in the area for 11 years now. They are living in their own house that was provided by the government. The house is built with G.I Sheets for the roof, cemented walls and cemented floorings that is in good condition. It has 1 room with 3 windows. They use electricity as source of light. The family is able to eat three meals a day with rice, fish and vegetables being the usual combination. They get their water from a shared pump well and use gas stove for cooking. The family uses their own water sealed toilet and their household garbage is disposed through government disposal system.

Like any other Filipino family, the Baltazar family wishes to improve their quality of life. The parents dream of having the child's complete education, enjoy good health, have a clean and orderly house and most importantly, increase their income.

PSBP, together with the community, implements programs in health, education and psycho-social development and protection that benefit the children, their families and communities in the area. We hope that through the PSBP sponsorship program, the Baltazar family could take part in our programs.

The sponsorship assistance that the PSBP could provide would greatly support Ivan's education and his family as well. PSBP is committed in helping the children achieve their full potential, build better lives through its various programs.

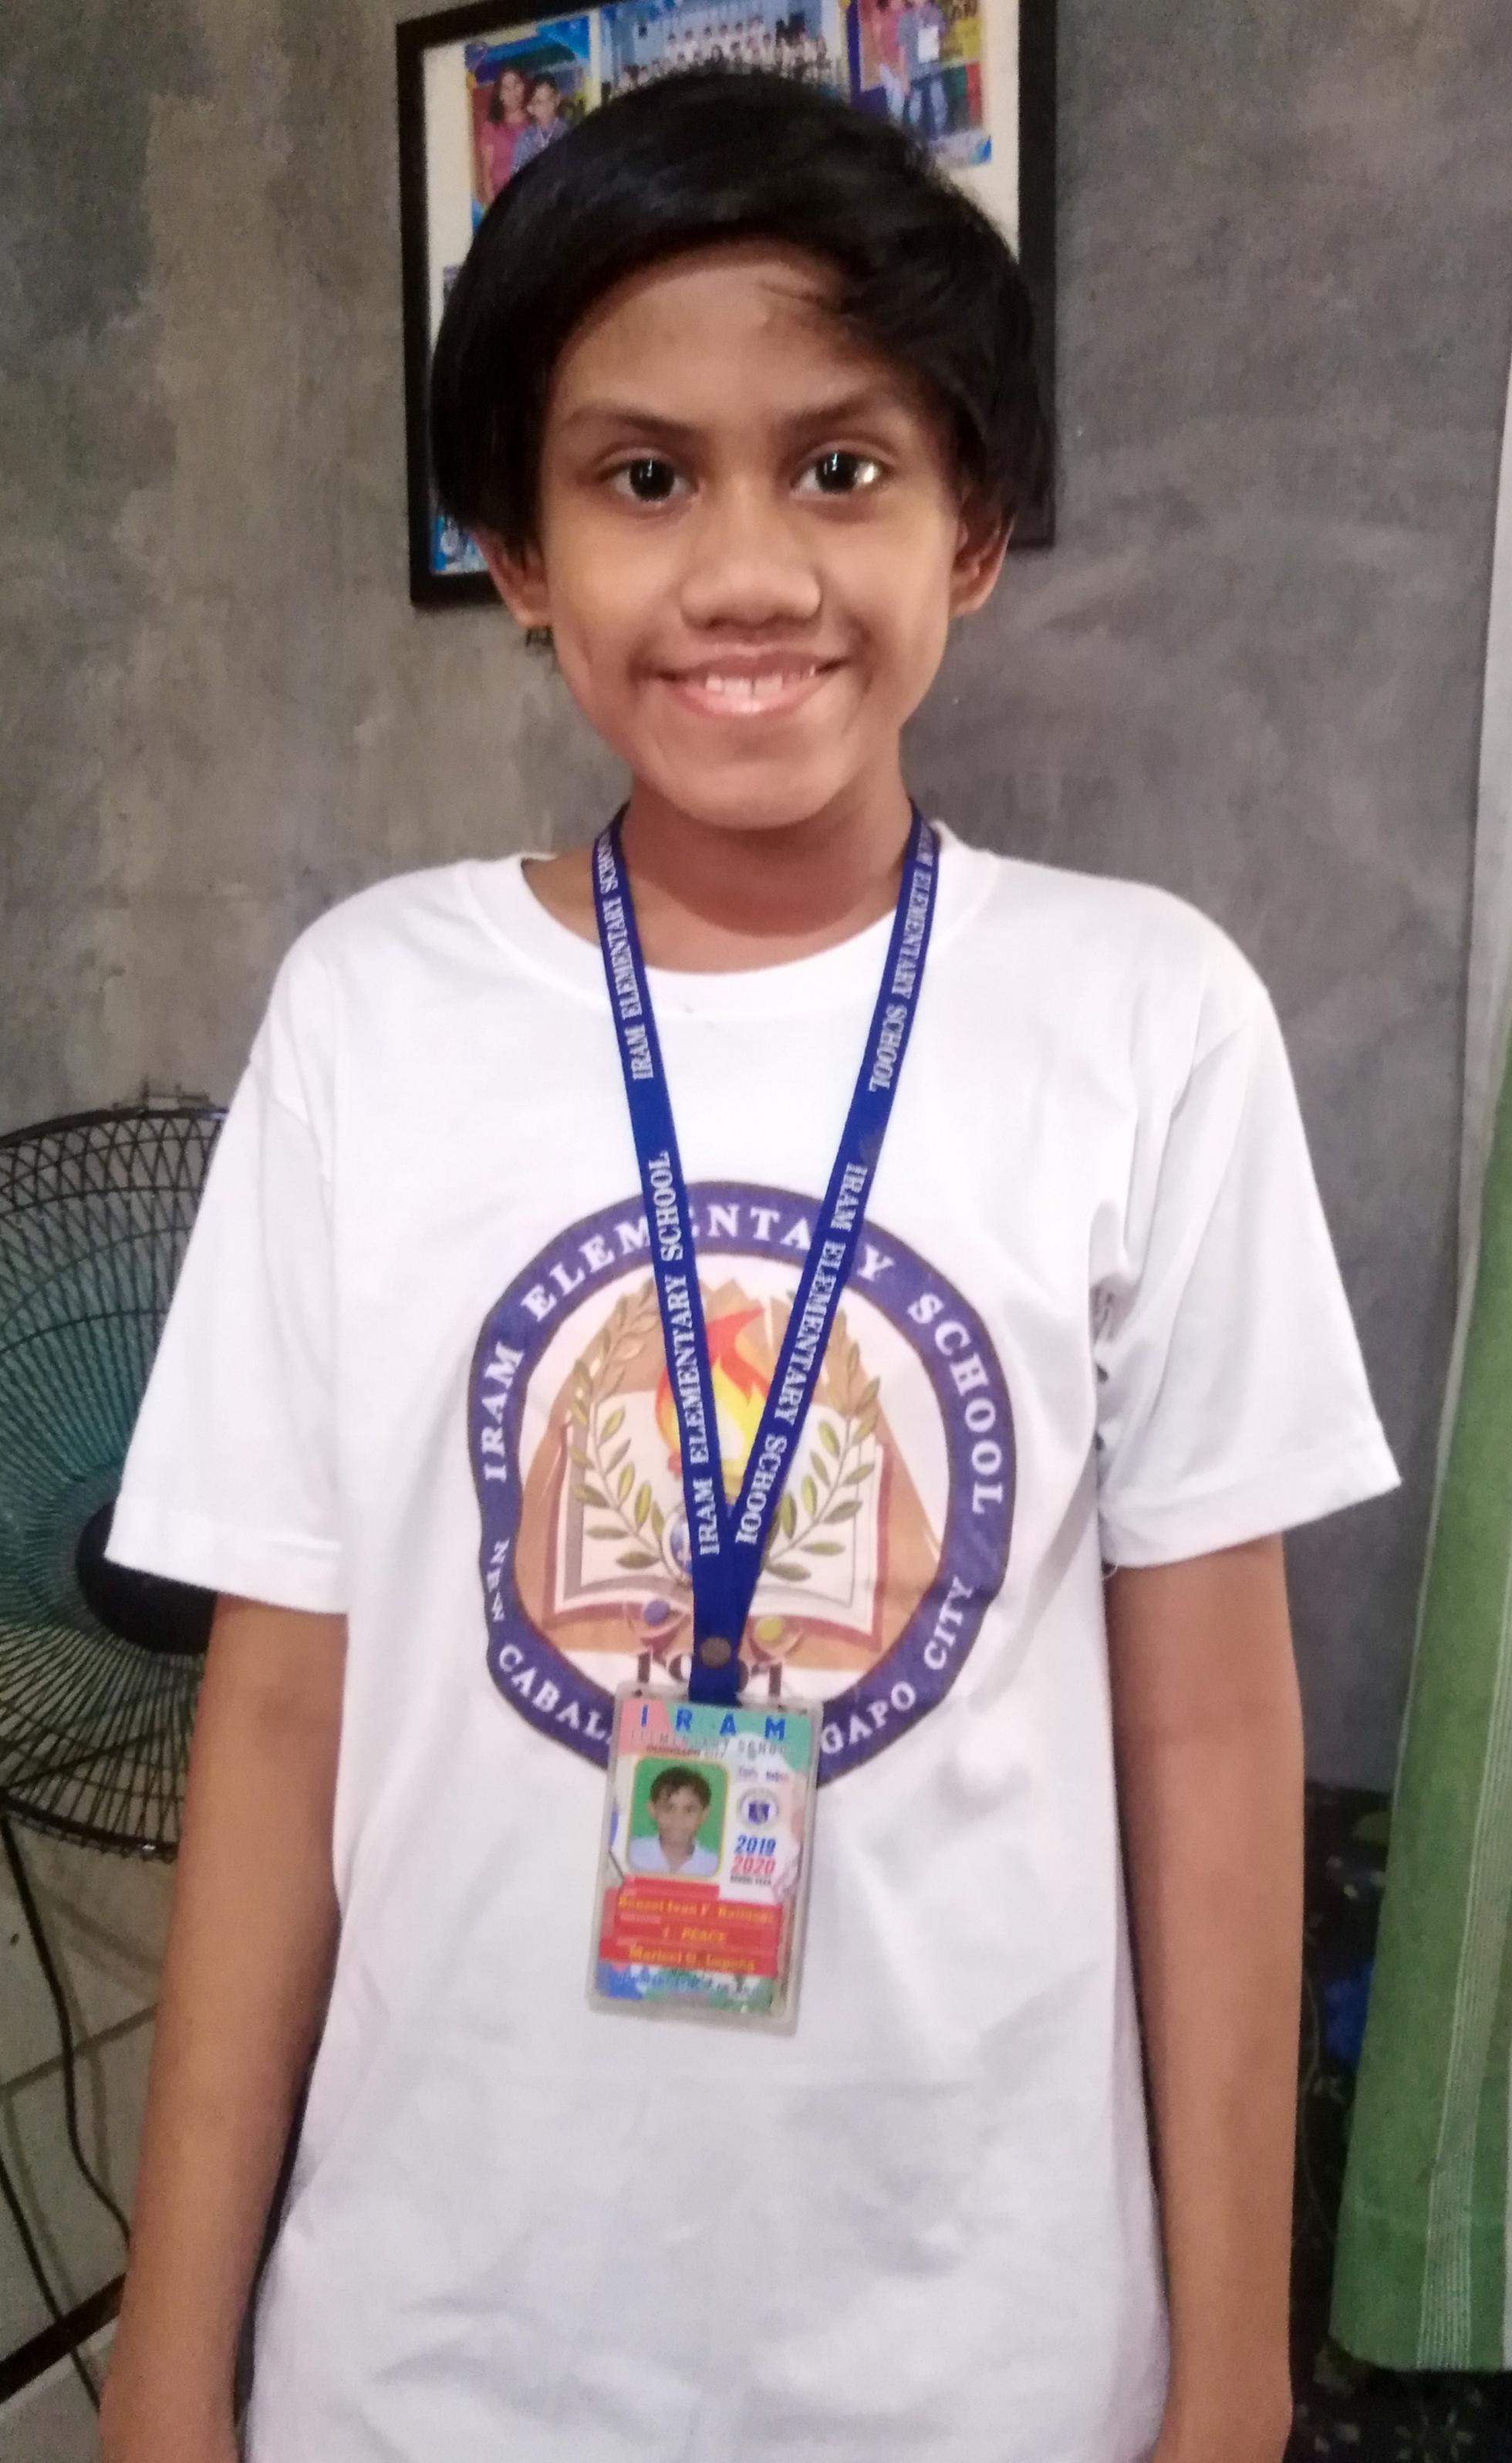

Ivan and his parents look forward to communicating with you in the future to share special and important events of the family.

We hope that you find this new partnership meaningful and rewarding.

Very truly yours,

Teresita R. Latoza
