

FAMILY INTRODUCTION SHEET FROM THAILAND

SCN # 16-05-6486

Location: Ubon Ratchathani, Thailand

March 18, 2022

Dear Sponsor,

On behalf of Pearl S. Buck Foundation (Thailand), we are pleased to introduce you to Adisorn Phalalert and his family. Adisorn was born on October 24, 2013. He is now 8 years old. He stands 3'11" and weighs 55.12 lbs. Adisorn, who is fondly called "Not", is a Thai and Buddhist boy. He is affected by HIV/AIDS. He can speak both Thai language and Northeastern dialect.

Not lives with his family in a medium community in Warin Chamrab district, Ubon Ratchathani province. There are around 80 households in this community. Most of people are farmers and agriculturists who grow rice and plants. After harvest season some of them go to work at as general workers at other places. There are a temple and a school located in this community.

Not is in good health, he has received vaccines per schedules. He has growth and good developments per standard of Thai children. He eats 3 meals per day cooked by his mother. Not and family are benefited from government health insurance program.

Not is a cute, cheerful, joyful, obedient, and not talkative boy. He is studying in grade 2 at a public school named Dorn Mod Daeng (Dongbang) School, located around 1 km from his home. He goes to school with his mother by motorcycle. He receives USD 0.66 (USD 1=Baht 30) as daily allowance to buy sweets at school. He is benefited from free lunch program for students. He can study in the good level. He is diligent in going to school. He wishes to be a doctor when he grows up. Thai language is his favorite subject. Green is his favorite color. Soccer is his favorite sport. In free time he enjoys drawing and coloring pictures, and playing games with his friends. He helps his mother to do some house works such as to fill drinking water bottles, and to keep his toys neatly after he finishes playing them.

Your generous support is needed for Not as it will assist him to have more readiness in studying, and more willpower in paying good attention in studying continuously to graduate from high educational level for better future of himself and his family. His family is very poor, his parents earn very few and uncertain income per year that is not enough to cover family's living cost and children's education expenses. Without your kind support Not may decide to drop schooling before he completes compulsory level in order to help his parents working in the field to earn income for supporting whole family.

We would like to introduce you to the other members of the family. They are:

Given Name	Sex	Date/Year Of Birth	Relations to SC	Health Condition	Current Activity
-------------------	------------	---------------------------	------------------------	-------------------------	-------------------------

U-thai	M	1991	Father	Good	Worker
Utchadaporn	F	1997	Mother	Good	-

Not's father, Mr. U-thai, is 31 years old. He works as a worker at a small construction shop, he earns around USD 200 per month. His mother, Miss. Utchadaporn, is 25 years old. She was infected with HIV, and has taken anti virus medicines. She does house works and takes care of Not. They have no piece of land. Everyone in his family is in good health. They live simply and happily together.

The family has stayed in this community for years. They live with family of Not's paternal grandmother in 2 stories wooden house with zinc roof built high above the ground. Not's grandmother owns land and house legally. It has 2 bedrooms, one open room, one kitchen, and one toilet. The surrounding is quite pleasant with no pollution. There is also a large space for children to play. The house has electricity and is furnished with an old television, one electric fan, one iron, and light bulbs. There is clean water both from water supply system and rain water kept in jars for using and drinking in his family. Household garbage is disposed by burning several kilometers away from their home.

Like any other Thai family, Not's family wishes to improve their quality of life. They dream of having their school age family members complete their education, enjoy good health, have a clean and orderly house, and most importantly increase their income.

Not and his family need assistance, and your kind sponsorship will make a difference in their lives. Your support will usher in new hope and confidence in the family as they work together for a brighter future. Our foundation commits to facilitate a family development process for this family so they achieve lasting improvement in their lives. We implement programs on **H**ealth, **E**ducation, **L**ivelihood and **P**sychosocial developments from which this family can benefit. We do this through the handed-up approach of partnership so families develop their self-help abilities to learn in building up what they can do with a little assistance, motivation and inspiration from generous sponsors like you.

Not is still too young to write, so his mother, Miss. Utchadaporn, looks forward to communicating with you in Thai language (original letters will be attached with English translation letters), and sharing important family events with you and family in the future.

We hope that you find this new partnership meaningful and rewarding.

Sincerely yours,

Suntaree Rangkusone
Executive Director
