Family History

I live with both of my parents but it seems like it's just me and my mom. My dad is an alcoholic and irresponsible. He is not home most days and comes home late after he is drunk. He does not work. My mom tries to work casual jobs but she does not earn a reliable income to provide for us. I am thankful for the opportunity to live at Ogada Children's Home and go to school. I am in 5th grade.
