Family History

My mom passed away. My dad ran away and married another woman. I was left with my brothers to live with my maternal grandmother. She is widowed and elderly. She tried to do farming on her land but it has been over-used for so long, the food production is low. She is unable to work or earn any income. My older brother, Peter, has been living at Ogada Children's Home. I'm thankful for the opportunity to join him, and attend school regularly. I am in 6th grade.
