Dear Sponsor,

On behalf of Pearl S. Buck Foundation-Philippines, Inc. (PSBP), I am pleased to introduce Cattalhea M. Ollave and her family. Eya as her nickname was born on May 18, 2015 she is now 7 years old.

Eya, is an active and healthy grade 2 student at Jica Lao Elementary School, a government school located 500 meters from their residence. She walks in going to and from her school. She is an average student and dreams of becoming a Doctor someday.

Eya loves to play tumbang preso, hide-and-seek, toys and other outdoor activities with her friends in the neighbor-hood. She also enjoys gardening and watch television. At home, she helps in different household chores such as washing dishes, sweeping the backyard and baby-sitting.

Eya, lives with her family. Her Father, Felix Ollave, 37 years old, works as a Construction Worker and earns \$140 per month while her mother also works as a therapist for extra income for the family. Their earnings usually spent on food, utilities and education. I would like to introduce you the rest of the family. I would like to introduce to you the other members of the family:

Name	Gender	Age	Relation to SC	Health Condition	Current Activity
Arlene Matuguina	Female	37	Mother	Good Health	Therapist
Alexander Ollave	Male	17	Brother	Good Health	Student

Rodge Iris Ollave	Male	15	Brother	Good Health	Student
Grandelle Ollave	Male	10	Brother	Good Health	Student
Allstaire Ollave	Male	5	Brother	Good Health	Student

Eya has been in the area for 7 years now. They live together with their house which they shared with their relatives. The house is built with G.I Sheets for the roof, cemented/palm shingles walls and cemented flooring that's in good condition. It has 1 room and 2 windows which provide for the ventilation of the house and with kitchen and dining. They use electricity as source of light. The family able to eat three meals a day with rice, fish and vegetables being the usual combination. They get their water from pipe which they shared with relatives and use butane for cooking. The family uses a water-sealed type of toilet which they also share with their relatives their household garbage is disposed of through government waste disposal system.

Like any other Filipino family, the Ollave family wishes to improve their quality of life. The parent dream of having the child's complete education, enjoy good health, have a clean and orderly house and most importantly, increase their income.

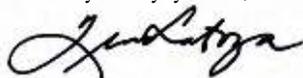

PSBP, together with the community, implements programs in health, education and psycho-social development and protection that benefit the children, their families and communities in the area. We hope that through the PSBP sponsorship program, the Ollave family could take part in our programs.

The sponsorship assistance that the PSBP could provide would greatly support Eya's education and her family as well. PSBP is committed in helping the children achieve their full potential, build better lives through its various programs.

Eya and her family look forward to communicating with you in the future to share special and important events of the family.

We hope that you find this new partnership meaningful and rewarding.

Very truly yours,

Teresita R. Latoza
