**Hobbies and/or interests:**

I like travelling . I enjoy the beauty of nature and I like to smell the flowers by day and count the stars by night. I am interested in visiting the great rivers and mountains of motherland. This is the most important reason why I like travelling. And then, there are different kinds of local food to try. Moreover. I like recording the good times of travel. When I get home, I will post these photos online. So I can look at them to remember the wonder trip from time to time.

**Any special talent:**

Speaking of my special talents, I think it would be writing calligraphy and playing GuZheng. I like it so that I have practised them since I was six years old. Because of the school study, I had to stop the lessons. But I'm not give up the calligraphy and GuZheng. In my spare time, I still like writing ancient poems and texts, such as Ode to the Lotus Flower. I also do some fingering practices.

**Future goals and/or college degree they want to earn:**

These three years, I will do my best to improve my study skills, and enter my ideal university---Nanjing Medical University. I want to be a nurse to heal the wounded and rescue the dying in the future.

**Paragraph about the family:**

My father is a worker. Because of this, he works very hard. My mother is low--paid office worker. My paternal mother and father are now near us. My maternal mother and father are living in Jurong.

**Monthly earnings:**My mother earns 2000 yuan per month and my father earns 4000 per month.
