**Hobbies and/or interests:**

I like music and English. In my mind, music and language are both tools to connect people. I care about people , I like to be connected, and I like to connect the world.

I also like watching movies very much. I am eager to see more, learn more, do more. Movie can enable me to do so. People seldom have the chance of experiencing a variety of lives, or being a different character. But when you watch a movie, you get to know a story of others, you live their lives and learn what they learned. I cry and laugh,hate and love when I watch a great movie,then I absorb this feelings into my memory and release them when I sing or play music.

**Any special talent:**

When I was a baby,my mum always sang songs and played radio music for me, I enjoyed this joyful moment and always hum and dance freely. So when I grew up, I leaned singing and dancing,I played Guzheng and Piano.I won a lot of municipal, provincial and national prizes with the accompany of my mother who believed that she discovered my talent on music. I love music as I love my life, for me music means love,peace and joy.

**Future goals and/or college degree they want to earn:**

In the coming three years, I will equip myself with knowledge, try my best to achieve a remarkable academic performance via hard study, and enter my ideal university---- Shanghai Conservatory of Music. I want to be a singer or music teacher in the future.

**About the family:**

My father is an engineer who works far away in Tianjin, my mother is a social worker. She spends her whole life with me. My grandpa also lives with us. My family always support me, I'm proud of them.

**Monthly earnings:** My parents earns 8000 yuan per month.
