Hobbies and/or interests:

I like astronomy best. I like enjoy the special scenery of each starry sky. The starts are beautiful and mysterious. After a busy day, it will help me relaxed. This is the most important reason why I like astronomy. There are lots of books about astronomy in my home. They also open up a whole new world to me.

Any special talent:

Everyone has any special talent, so am I. I have a sweet voice. I do well in singing, for example red songs and nursery rhymes When I was sad, the music can cure me. When I meet difficulty, the music can help me clam as well as solve some problems. In my spare time, I always sing songs while drawing. They are all my good friends.

Future goals and/or college degree they want to earn:

In the next three years, I will do my best to increase my studios achievement, improve my study skills and enter my ideal university -----Nanjing University. I want to be a scientist in the future.

Paragraph about the family:

We are now living in Zhengjiang. My grandpa's bodies are not very well, so my mother quit her job to take care of families. My father is a warehouse keeper. He works very hard because he requires raising his family.

Monthly earnings:

My parents earns 3000 yuan per month.
