Hobbies and/or interests:

I enjoy listening to music ,such as R&B and rap and so on. Some of my favorite musicians are Justin Bieber and Jay Chou. My favorite piece of music is You Can Be What You Want to Be, a song written by rapper Jiang. Also, I'm a bookworm. I am obsessed with reading mystery novels by Higashino Keigo .I think it's exciting to uncover the truth of the case ,and it's also interesting to uncover the dark side of the human heart.I really relax when I listening and reading.

Any special talent:

I can play the zither. But because of my studies, I haven't played for a long time. Still I won't give this instrument. Also, I love drawing some characters that I like.

Future goals and/or college degree they want to earn:

Maybe, I will be a doctor in a peacekeeping force or a criminal police some time .I believe I'll be sure of my future career soon. After all, there are so many possibilities. But I do believe that I will protect innocent people in my own way. I want to be a person who are useful to

society in the future.

Paragraph about the family:

I live in a harmonious and happy family. There are five people in my family. My grandparents, my parents and me. Moreover ,I have a “sister”. It is a white lop named Alice. My father is a police, and my mom is a bank clerk.

Monthly earnings: My family’s monthly income is 6000 yuan.

Personality

I’m new wave, but I’m old school in some ways .I’m disciplined, but also laid-back . In the eyes of some of my friends, I am a very strange person , because my active mind I think. Maybe in the eyes of strangers I am introverted little words, but when familiar with me ,you will know that I party hearty.
