

FAMILY INTRODUCTION SHEET FROM THAILAND

SCN # 16-05-6784

Location: Ubon Ratchathani, Thailand

November 7, 2022

Dear Sponsor,

On behalf of Pearl S. Buck Foundation (Thailand), we are pleased to introduce you Wathida Talordpong and her family. Wathida was born on November 22, 2017. She is now 5 years old. She stands 3'8" and weighs 52.91 lbs. Wathida who is fondly call "F", is a Buddhist girl who is affected by HIV/AIDS. She can speak both Thai language and Northeastern dialect.

F and family live in a medium community in Warin Chamrab district, Ubon Ratchathani province. The community is surrounded by rice fields. There are around 100 households in this community. Most of people are agriculturists who earn main income from selling rice crops and vegetables, while some of them are workers. Some villagers go to work in other places for extra income after harvesting season. There are temple and school located in this community.

F is healthy, and has received vaccinations per schedules. She has good developments the same as other children. She eats 3 meals per day cooked by her mother. F and family are benefited from government health insurance program.

F is a lovely, confident, cheerful, and talkative girl. She is attending in year 1 of kindergarten level at a public child development center named Wat Tai Pra-jao-yai-ong-tue Child Development Center, located around 2 km from her home. She goes to center and back home by motorcycle with her mother. She receives USD 0.66 (USD 1=Baht 30) as daily allowance to buy sweets at center. She is benefited from center free lunch program for children. She can study and learn thing in the good level. She likes to study and pays good attention in it. Drawing is her favorite subject. She wishes to be a doctor when she grows up. Red and light blue are her favorite colors. She enjoys drawing and coloring pictures. Soccer is her favorite sport. She helps her family to do house works such as to sweep floor, and fill drinking water bottles. In free time she enjoys running for fun, drawing and coloring pictures.

Your generous support is needed for F as it will assist her to have more readiness in studying, and more willpower in paying good attention in studying continuously to graduate from high educational level for better future of herself and her family. Her family is very poor, her parents earn very few and uncertain income per year that is not enough to cover family's living cost and children's education expenses. Without your kind support F may decide to drop schooling before she completes compulsory level in order to help her grandparents working in the field to earn income for supporting whole family.

We would like to introduce you to the other members of the family. They are:

Given Name	Sex	Date/Year Of Birth	Relations to SC	Health Condition	Current Activity
Watcharin	M	1973	Father	Good	Worker

Wanpen	F	1999	Mother	Moderate	Work
Gaengaew	M	1962	Grandmother	Moderate	-
Areeya	F	2019	Younger sister	Good	-

F's father, Mr. Watcharin, is 49 years old. Her mother, Miss. Wanpen, is 23 years old. Both of them were with HIV/AIDS, and have taken anti virus medicines. Her grandmother, Mrs. Gaengaew, is 60 years old, and unhealthy with HIV/AIDS infection, and has taken anti virus medicines. F's younger sister, Areeya, is 3 years old and attending in pre-kindergarten class at the same center as F. The family owns no piece of land. F's parents earn around USD 666-1,000 per year from working as workers. The family lives simply and happily together.

The family has lived in this community for many years. They stay in one storey concrete rent house with tile roof built high above the ground. It has 2 bedrooms, one opened room, one kitchen, and one bathroom. The surrounding is quite pleasant with no pollution. There is also a large space for children to play in the community. They grow vegetables in the house's area. The house has electricity and is furnished with one television, 1 iron, 1 electric fan, and light bulbs. There is clean water from water supply system for using, and they buy filter water for drinking. Household garbage is disposed by burning several meters away from their home.

Like any other Thai family, F's family wishes to improve their quality of life. They dream of having their school age family members complete their education, enjoy good health, have a clean and orderly house, and most importantly increase their income.

F and her family need assistance, and your kind sponsorship will make a difference in their lives. Your support will usher in new hope and confidence in the family as they work together for a brighter future. Our foundation commits to facilitate a family development process for this family so they achieve lasting improvement in their lives. We implement programs on **Health, Education, Livelihood and Psycho-social** developments from which her family can benefit. We do this through the handed-up approach of partnership so families develop their self-help abilities to learn in building up what they can do with a little assistance, motivation and inspiration from generous sponsors like you.

F is still too young to write, her mother, Miss. Wanpen, looks forward to communicating with you in Thai language (original letters will be attached with English translation letters), and sharing important family events with you and family in the future.

We hope that you find this new partnership meaningful and rewarding.

Sincerely yours,

Suntaree Rangkusone
