## Family History

My father died after being sick for a long time. I have two siblings. My mom has been unemployed for a long time and is only able to work temporary jobs which pay very little. She usually washes people's clothes for them and gets paid. It was very difficult for her to take care of me. I do not have any other relatives who are able to provide for me. I was not sure what to do or where to go for help. My life changed in 2011 when I was given the opportunity to live at the Ogada Children's Home. I am thankful to be living here! Sometimes I am called by the name Jane Atieno. I attend the Ogada Primary School.
