

FAMILY INTRODUCTION SHEET FROM THAILAND

SCN # 16-06-7660

Location: Mae Ramard, Tak
May 18, 2022

Dear Sponsor,

On behalf of Pearl S. Buck Foundation (Thailand), we are pleased to introduce you to Yosapol Gawee-sarn, and his family. He was born on June 17, 2019. He is now 3 years old. He stands 2'11" and weighs 28.66 lbs. He is a Karen boy, his nickname is Daeng. He is a Christian boy who speaks Karen dialect.

Daeng and family lives in a small village named Ban Dejicaw village, a high land village located away from Mae Ramard district. Most of community people are Karen hill tribes (Kapagayaw), consisting children, working age persons, and elderly persons. Main occupation of people are agriculturists who grow rice and corn, as well as collect wild things for selling with low and uncertain income. Health problems found in community are children's malnutrition, cold, pneumonia, and diarrhea. Villagers are Buddhists and Christians, while some of them still believe in spirits.

Daeng is in good health and has received receiving vaccinations per schedules. In generally, he is healthy and strong. He got sick sometimes when weather changed, but got well in short time after taking enough resting and medicines received from healthcare center. Dew and family are benefited from government healthcare insurance program.

Daeng is a cute, polite, cheerful boy. He is attending in pre-kindergarten level at a public child development center named Ban Nong Luang Child Development Center. It is around 7 km from his home to center. He goes to center and back home by a hired car with other students, it costs him around USD 15 (USD 1=Baht 30) per month for transportation fare. He is benefited from school free lunch program for students. He has good developments. He likes to learn new things and join activities with his teacher and friends. He loves friends and can get along well with them. He wishes to be a soldier when he grows up. Red is his favorite color. In free time he enjoys running for fun and playing games with his friends. He helps to sweep floor at home.

Your generous support is needed for Daeng as it will assist him to have more readiness in studying, and more willpower in paying good attention in studying continuously to graduate from high educational level for better future of himself and his family. Hi family is very poor, his parents earn very few and uncertain income per year that is not enough to cover family's living cost and his education expenses. Without your kind support Daeng may decide to drop schooling before he completes compulsory level in order to help his parents working in the field to earn income for supporting whole family.

We would like to introduce you to the other members of the family: They are

Given Name	Sex	Date/Year Of Birth	Relations to SC	Health Condition	Current Activity
Ong-art	M	1992	Father	Good	Agriculturist

Kreu-wan F 1995 Mother Good Agriculturist

Daeng's father, Mr. Ong-art, is 30 years old. His mother, Miss. Kreu-wan, is 27 years old. The family grows rice for family consumption and grows corn for selling. They earn low and uncertain income around USD 1,000 per year from selling corn crops. Everyone in family is in good health. They live simply and happily together.

The family lives in small one storey half wooden and half bamboo house with zinc roof built high above the ground on public land. The house belongs to Daeng's grandparents. It is one open room house, one corner of it was set as kitchen. They have hygienic toilet. Their house is surrounded by shady trees, and there is a large space for children to play. The house has no electricity. The family uses water from mountain water supply system for consumption and boiled water for drinking. They cook rice and foods by using firewood. Household garbage is disposed by burning several meters away from their house.

Like any other Thai family, Daeng's family wishes to improve their quality of life. They dream of having their school age family members complete their education, enjoy good health, have a clean and orderly house and most importantly increase their income.

Daeng and family need assistance and your sponsorship will make a difference in their lives. Your support will usher in new hope and confidence in the family as they work together for a brighter future. We commit to facilitate a family development process for this family so they achieve lasting improvement in their lives. Our foundation implements programs on **Health, Education, Livelihood and Psycho-social** development from which the family can benefit. We do this through the hand-up approach of partnership so families develop their self-help abilities to learn building up what they can do with a little assistance, motivation and inspiration from kind sponsors like you.

Daeng is still too young to write so his mother, Miss. Kreu-wan, looks forward to writing to you in Thai language (original letters will be attached with English translation letters), and sharing important and interesting family events with you and your family in future.

We hope that you find this new partnership meaningful and rewarding.

Sincerely yours,

Suntaree Rangkusone
