50 " .....	3.00
100 " .....	5.00
1000 " .....	40.00

I want to join the Post War World Council and help win the peace. I believe there must be world co-operation to achieve economic justice, to assure equality for all races and peoples and to end imperialism and all dictatorships. I will work with the Council for the earliest possible attainment of a just, lasting and democratic peace.
