**Your guide to sponsoring
a child in the Philippines**

Pearl S. Buck International

A black and white photograph of Pearl S. Buck, an elderly woman with short, light-colored hair, wearing a dark, short-sleeved top and a patterned skirt. She is seated at a desk with several open books in front of her. The background is slightly blurred, showing a framed picture on the wall. The text is overlaid on the image in a white, typewriter-style font.

Our treasure
is in our
children, for
in them is
our future.

Pearl S. Buck

Author, Humanitarian, Activist

Welcome

Thank you for beginning your journey as a child sponsor through Pearl S. Buck International.

As a child sponsor, you are becoming part of the legacy of Pearl S. Buck. She founded this organization to, in her exact words, “address the issues of poverty and discrimination”.

Ms. Buck was a staunch advocate for children in need and helping the most vulnerable ones was a cause close to her heart. She would never stand by when any child was treated poorly simply because of the circumstances of his or her birth—and neither will you. While the cost to you is less than a dollar a day, the benefits to your sponsored child, his or her family, and future generations are priceless.

Your gift provides your sponsored child with life-changing healthcare, nutrition, and education. Most of the sponsored children in our program go on to complete their education, become self-sufficient, and break the cycle of poverty that has plagued their families.

Through your support, however, you are providing more than just food, healthcare, and education—you are providing hope. You are providing a future.

With heartfelt appreciation,

Stephanie Saveriano
International Programs Director

About the Philippines

Language

Filipino and English are the official languages.

Religion

Catholic (majority), Muslim, and Christian

Major Urban Areas

Manila (capital), Quezon City, Budta, and Davao

History

The Philippine Islands became a Spanish colony during the sixteenth century. They were ceded to the U.S. in 1898. In 1935, the Philippines became a self-governing commonwealth. In 1942, during World War II, the islands fell under Japanese occupation. In 1946, the Republic of the Philippines attained its independence.

Geography

The Philippine archipelago is made up of 7,641 islands which are favorably located in relation to many of Southeast Asia's main bodies of water (South China Sea, Philippine Sea, Sulu Sea, Celebes Sea, and Luzon Strait).

Livelihood

Agriculture is the major source of livelihood with crops of maize, rice, shrubs, fruit trees, and nut trees. Major industries include electronics assembly, shipbuilding, and the manufacturing of garments and footwear.

Filipino Groups Served

In the Philippines, Pearl S. Buck International serves children who suffer from poverty, disease, and discrimination.

Where Pearl S. Buck International Works in the Philippines

Manila/Bulacan

- Metro Manila
- City of San Jose Del Monte

Metro Manila is a densely populated area as it is the capital and center of trade in the Philippines. Poor sanitation and a lack of clean drinking water result in a great number of illnesses, while poor healthcare services mean that even common diseases can be a death sentence.

Ormoc City

- Barangay Linao
- Barangay Ipil
- Barangay Lao

Flooding in this region in 1991 devastated the area and displaced many residents. Mosquitoes thrive because of clogged drainage and stagnant water, especially during the rainy season. Children suffer from diarrhea, upper respiratory infections, fever and asthma.

Angeles City

- Angeles City Wide
- Pampanga
- Mabalacat

Angeles City is classified as a highly urbanized first-class city. However, it is infamous as a sex tourism destination.

Olongapo City/Zambales

- Olongapo City Wide
- Manganvaca Resettlement Area
- Iram Resettlement Area

Olongapo is a highly-urbanized city. While each village within the city has its own health center, there are insufficient supplies of medicine.

Communications from Your Sponsored Child

First Communication

The Family Greeting Letter (marked FGL) is the first communication from your new sponsored child. You should receive this within one to two months of starting sponsorship, based on how remote the child's residence is.

From Your Sponsored Child

Each year, your sponsored child will send you at least two communications. A third communication will be included if your child is between the ages of 5 and 12 years. Parents, guardians, or case workers will help younger children write their letters which will be translated into English and marked with the code that corresponds to the type of communication.

1. Family letter #1 (marked FL#1) is a letter sent in the first half of the year.
2. Family letter #2 (marked FL#2) is a letter sent in the second half of the year. Please note that if your sponsorship starts in the second half of the year, the first Family Letter you receive will be marked FL#2 to coordinate with this schedule, not the number you've received.
3. If your sponsor child is between 5 and 12 years of age, they also will send you one non-verbal communication (marked NVC) in the form of a drawing or handmade greeting of their own, once a year.

Other Communications

Once a year, the Executive Director of the affiliate country office will compile a family journal which will contain updates on your sponsored child, their family, and the programs in which your sponsored child participates. An updated photo will be included.

Please note that due to language and cultural difference, some children may start letters by introducing themselves. They haven't forgotten you. It is simply their style of letter writing.

How to Write to Your Sponsored Child

Writing to your sponsored child will build a special relationship with him or her. You may send a letter whenever you wish. How often you write is up to you.

Important information about writing to your sponsored child

We are very protective of your rights and those of your sponsored child. Please do not include your last name, address, phone number, e-mail address, or social media accounts in your letter. All communications are required to come through the child sponsorship office to ensure all messages are appropriate.

To reduce delays in processing, all letters should include:

- Sponsored child's name
- Sponsored child's ID number
- Your sponsor number

Tips for writing

Share about yourself and your family.

Your child will enjoy learning about you as well as your family, pets, traditions, and interests.

Offer encouragement and guidance.

Your letters of support and encouragement as well as interest in your sponsored child's well-being, education, family, and hardships will be greatly appreciated.

Ask questions.

Your child will look forward to responding to specific questions. However, keep in mind that your sponsored child may be shy.

Sending a letter

Online Go to www.pearlsbuck.org/write.

Email For your convenience, you can send a letter by email to childsponsorship@pearlsbuck.org. If sending by email, you may include pictures.

Postal mail Letters, cards, and packages sent by postal mail will incur a fee. See page 9 for pricing. Letters and small items should be mailed to Pearl S. Buck International, 520 Dublin Rd, Perkasie, PA 18944.

Monetary Gifts for Sponsored Children

Unlike most child sponsorship programs, Pearl S. Buck International matches only one sponsor to each child. Therefore, child sponsors are allowed to provide a cash gift to each of their sponsored children on birthdays, holidays, or other occasions.

Monetary gift guidelines

The minimum amount for a financial gift is \$6. There is no maximum amount. Average gifts range from \$20 to \$100 per year. Large cash gifts are not encouraged, as Pearl S. Buck International seeks to build community interdependence rather than individual dependency.

Ways to send a gift

Send your monetary gift by postal mail to Pearl S. Buck International, 520 Dublin Road, Perkasie, PA 18944, Attn: Child Sponsorship Manager. Please include a check with a note stating your sponsored child's full name, sponsored child number, your sponsor number, and the purpose of the gift.

To make your monetary gift online, go to www.pearlsbuck.org, click on "Help a Child in Need", then "Sponsor a Child", and finally "Give your Sponsored Child a Gift". Complete the form and click "process".

Monthly gifts

To set up a monthly monetary gift for your sponsored child or an annual recurring birthday gift, call the Child Sponsorship Manager at 215-249-0100 X142.

Timing

Please plan ahead to make your monetary gifts early enough to ensure your sponsored child will receive it by your target date. All monetary gifts are sent overseas on the 15TH of the month following the month your gift is received. Please note that some of the locations served are remote so it could take additional time for overseas staff to get the gift to your sponsored child.

Sending Personal Gifts to Your Sponsored Child

Sending cash gifts instead of sending physical items is recommended because of postage costs. Packages will not be sent until the postage or shipping fee is received. Also, the value of the dollar is stronger overseas. However, if you prefer to send personal gifts please follow the guidelines below.

Guidelines

Include your sponsored child's full name, sponsored child number, and your sponsor number on each letter, card, and gift.

A postage fee of \$5 is required to mail a greeting card.

Because of heavy taxes that the Philippines government is assessing on packages from the United States and the high cost of postage, we are discouraging sponsors from sending packages to their sponsored children. Sponsors are welcome to send monetary gifts by sending a check or using our website portal at www.pearlsbuck.org/giveagift. The monetary gift will be sent to the office in the Philippines by wire transfer and will be deposited directly into your sponsored child's bank account. The child and their parents will be notified of the gift deposit.

Holidays Observed by Sponsored Children

The Office of the Philippine President regulates national holidays and uses executive orders to make changes to any public holiday dates, so this list sometimes changes. Here are some major national holidays your sponsored child may observe.

New Year's Day *January 1*

Chinese New Year *Falls on the new moon between January 21–February 20*

As red is a symbol of good luck, people wear red and hang red lanterns. Children often receive small gifts in red envelopes.

Philippines Independence Day *June 12*

This holiday commemorates the Philippines' declaration of independence from Spanish colonial rule. A parade in Manila, attended by the President, marks the official celebration. The parade showcases their armed forces, local organizations, and different ethnic groups. Firework displays also are held.

United Nations Day *Last week of October*

School classes are assigned a country to represent and study. Students hand-craft that country's flag and prepare cultural presentations and food as part of the day's educational activities.

Bonifacio Day *Monday closest to November 30*

This holiday celebrates Andrés Bonifacio, who is considered the Father of the Philippine Revolution against Spanish colonization.

Christmas *December 25*

Rizal Day *December 30*

José Rizal, who is considered to be one of the greatest heroes in the history of the Philippines and is credited as starting the Philippine revolution against the Spanish colonizers, is celebrated on this day.

Visiting Your Sponsored Child

Visiting with your sponsored child in their homeland can be a rewarding benefit of sponsorship. It can strengthen the bond between you and your sponsored child and enable you to see the challenges your sponsored child faces and how your support is truly life changing.

Pearl S. Buck International periodically offers group tours to its program countries. In addition to meeting your sponsored child on these trips, you will also learn more about the programs and the culture of the region. For more information about upcoming tours, go to www.pearlsbuck.org/cultural-trips. If you would like to independently travel to visit your sponsored child, Pearl S. Buck International will facilitate a supervised meeting with your child. Coordination of your visit must be made at least two (preferably three) months prior to the trip. All child sponsor meetings require staff supervision. For more information, email childsponsorship@pearlsbuck.org or call 215-249-0100 X142.

Child sponsors who meet the minimum donation amount will receive an end-of-year acknowledgement of contributions total for the calendar year.

When Sponsored Children Leave the Program

Occasionally, transitions in the life of your sponsored child occur during the course of your sponsorship. The lifestyles of the children and families served are very different from those of children in the U.S.. Change in their lives is a common occurrence. Sometimes a child may need to leave school, move with their family to another area, or the family may be affected by a natural disaster, such as a flood destroying their dwelling or livelihood.

At other times, the change can be a positive one, such as when the child graduates from school or the child or family become financially able to take care of themselves. When a sponsored child reaches the age of 18 and/or at the time of their high school graduation, they will graduate from the child sponsorship program. However, if your sponsored child has the potential to continue their education beyond high school and you have the capacity to financially support this, Pearl S. Buck International will help facilitate the process.

Please remember that the goal of the program is to help the child and their family to become self-sufficient.

We understand the difficult nature of these transitions after you have developed a relationship with your sponsored child. If your sponsored child must leave the program due to a life change, you will be notified as soon as possible. Any information obtained from the overseas affiliates will be shared with you. You will be given the opportunity to continue your support with a new child.

Contact the Child Sponsorship Department with any concerns or requests at childsponsorship@pearlsbuck.org or 215-249-0100 X142.
