

Application Form- Global Leadership Program

Thank you for your interest in becoming a student in our Global Leadership Program. The Global Leadership Program, for high school students from grades 9 through 11, is designed to help teens and young adults become better students, college applicants, and global citizens. Participants put their newly acquired skills to use working collaboratively on a service project of their choice, with proceeds donated toward Pearl S. Buck International's mission and work. At the completion of the program, students and their families celebrate their success at a graduation or fundraising event, knowing that they have made a contribution to the world.
