SCN # 16-05-6783

Location: Ubon Ratchathani, Thailand

October 28, 2025

Dear Sponsor,

On behalf of Pearl S. Buck Foundation (Thailand), we are pleased to introduce you Patchraporn Phai-dee and her family. Patcharaporn was born on February 16, 2017. She is now 8 years old. She stands 4'9" and weighs 55.12 lbs. Patcharaporn who is fondly call "Bai-khao", is a Buddhist girl who is affected by HIV/AIDS. She can speak both Thai language and Northeastern dialect.

Bai-khao and family live in a medium community in Warin Chamrab district, Ubon Ratchathani province. The community is surrounded by rice fields. There are around 100 households in this community. Most of people are agriculturists who earn main income from selling rice crops and vegetables, while some of them are workers. Some villagers go to work in other places for extra income after harvesting season. There are temple and school located in this community.

Bai-khao is healthy, and has received vaccinations per schedules. She has good developments the same as other children. She eats 3 meals per day cooked by her mother. Bai-khao and family are benefited from government health insurance program.

Bai-khao is a lovely, confident, cheerful, and talkative girl. She is studying in grade 3 at a public school named Ban Huay Khayung Kuru Panich Witayakarn School, located around 600 m from her home. She goes to school and back home by motorcycle with her mother. She receives USD 0.66 (USD 1=Baht 30) as daily allowance to buy sweets at school. She is benefited from school free lunch program for students. She can study and learn thing in the good level. English is her favorite subject. She wishes to be a teacher when she grows up. Red is her favorite color. She enjoys drawing and coloring pictures. She likes all kinds of sports. She helps her family to do house works such as to sweep floor, wash dishes, and fill drinking water bottles. In free time she enjoys playing games and sports with friends.

Your generous support is needed for Bai-khao as it will assist her to have more readiness in studying, and more willpower in paying good attention in studying continuously to graduate from high educational level for better future of herself and her family. Her family is very poor, her parents earn very few and uncertain income per year that is not enough to cover family's living cost and children's education expenses. Without your kind support Bai-khao may decide to drop schooling before she completes compulsory level in order to help her parents working to earn income for supporting whole family.

We would like to introduce you to the other members of the family. They are:

Given Name	Sex	Date/Year Of Birth	Relations to SC	Health Condition	Current Activity
-------------------	------------	---------------------------	------------------------	-------------------------	-------------------------

U-dom	M	1972	Father	Good	Worker
Chamaiporn	F	1980	Mother	Moderate	Worker

Bai-khao's father, Mr. U-dom, is 53 years old. Her mother, Miss. Chamaiporn, is 45 years old. Both of them were with HIV/AIDS, and have taken anti virus medicines. The family owns no piece of land. They earn around USD 120-150 per month from working as workers. The family lives simply and happily together.

The family has lived in this community for many years. They stay in one storey concrete house with zinc roof built high above the ground. Her father owns land and house legally. It has 2 bedrooms, one opened room, one kitchen, and one bathroom. The surrounding is quite pleasant with no pollution. There is also a large space for children to play in the community. They grow vegetables in the house's area. The house has electricity and is furnished with an old television, 1 electric rice cooker, 1 electric fan, and light bulbs. There is clean water from water supply system for using, and they buy filter water for drinking around USD 4-6 per month. Household garbage is disposed by burning several meters away from their home.

Like any other Thai family, Bai-khao's family wishes to improve their quality of life. They dream of having their school age family members complete their education, enjoy good health, have a clean and orderly house, and most importantly increase their income.

Bai-khao and her family need assistance, and your kind sponsorship will make a difference in their lives. Your support will usher in new hope and confidence in the family as they work together for a brighter future. Our foundation commits to facilitate a family development process for this family so they achieve lasting improvement in their lives. We implement programs on Health, Education, Livelihood and Psycho-social developments from which her family can benefit. We do this through the handed-up approach of partnership so families develop their self-help abilities to learn in building up what they can do with a little assistance, motivation and inspiration from generous sponsors like you.

Bai-khao looks forward to communicating with you in Thai language (original letters will be attached with English translation letters), and sharing important family events with you and family in the future.

We hope that you find this new partnership meaningful and rewarding.

Sincerely yours,

Suntaree Rangkusone
