

Fund A Project: Another Way to Help Our Children

We are so grateful to everyone of our supporters who have chosen to sponsor a child or multiple children through our international humanitarian aid program. Your generosity provides educational, nutritional, health, psycho-social, and livelihood help to your child and we know many of you have built not only a friendship but a close relationship with your sponsored child or children over the years. Another way to help your child in addition to their family and community, is by making a donation to one of the many projects listed on our website. These projects fund much-needed specific programming, supplies, and initiatives in these same areas through either a one-time or ongoing donation. Some of these projects include:

Life Skills Development for teens and young adults in the Philippines. This project teaches youth how to think rather than what to think, respecting their autonomy and equipping them with a portable skill set that they can apply to any situation, whether it's choosing a career path or navigating a difficult social conflict.

Batteries for Electric Bikes for orphans in Vietnam. In the United States and other places, most children have access to buses, parents with vehicles, or public transportation to get to school. The orphans we serve in Vietnam, many of whom are living with HIV, must travel 40 kilometers to get to and from school each day. Because of the distance and their health, they are dependent on electric bikes to be able to go to and stay in school. You can ensure they don't have to worry about missing out on their education by having enough batteries to power their electric bikes. https://pearlsbuck.org/bbwp_projects/batteries-for-electric-bikes-for-orphans-vietnam/

School Supplies for Rural Schools in Thailand. Small schools located in rural and remote communities face significant limitations in resources, staffing, and government funding. This project makes sure rural and remote schools remain open and have access to essential supplies and learning materials to serve their students and the community. https://pearlsbuck.org/bbwp_projects/school-supplies-thailand/

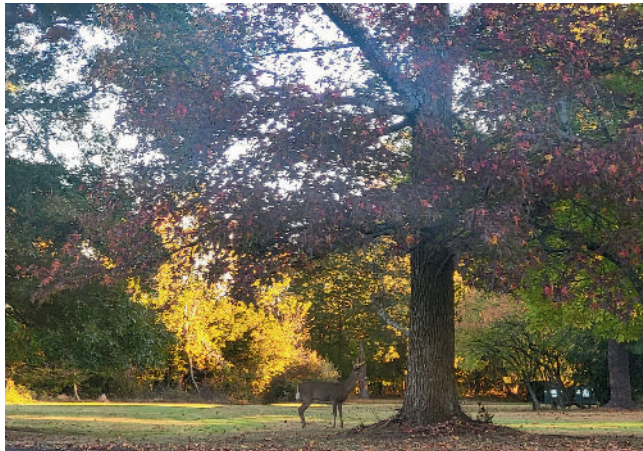

All of these projects and more can be found on our website at <https://pearlsbuck.org/help-children-in-need/fund-a-project/>. You already do so much to help the children in our program get a leg up to lead successful lives - thank you for considering making an extra gift to help their families, schools, and communities as well!

What's Happening: November at Pearl S. Buck International

There's no bad time of year to visit Pearl S. Buck International—there's lots to see and do here coming up in November!

50th Annual Festival of Trees Opens November 10

This year we're celebrating 50 years of Festival of Trees! Each year during the Annual Festival of Trees, the rooms of Pearl S. Buck's iconic Bucks County stone farmhouse come alive with the glow of holiday decorations. The event showcases beautiful trees and vignettes designed by the best local artists, decorators, organizations and community groups to convey the spirit of Pearl S. Buck's legacy as an author, humanitarian, and activist. Festival of Trees remains one of the most unique and historic holiday traditions in the region. Our always popular evening Candlelight Tours will also be offered on limited dates.

Juried Craft Show Opens November 27

The Pearl S. Buck International Craft Show has been a Bucks County tradition for almost three decades. Enjoy this week-long unique shopping experience at this high end craft show which offers jury-selected gifts, decorations, food, jewelry, apparel, and more from professional crafters, artists, and chefs. The Juried Craft Show is the perfect place to find an array of amazing holiday gifts for your family and friends.

Produced by the Pearl S. Buck Volunteer Association.

Arboretum Monthly Programming: Autumn in Kyoto November 14

Join Sharee Solow, a PA certified horticulturist and a chair for the Plant Experts at the Philadelphia Flower Show, for her presentation, followed by an opportunity to explore and discover the different types and colors of fall foliage at our Green Hills Farm Arboretum!

Check out <https://pearlsbuck.org/events/> for a full listing of winter and holiday events at Pearl S. Buck International
